

KWUN TONG MARYKNOLL COLLEGE

ANNUAL SCHOOL PLAN

2017-2018

Major concerns for 2017-2018

1. To foster students' ability to demonstrate initiative and take responsibility for learning by implementing self-directed learning.
2. To encourage students to live a meaningful school life through the pursuit of their goals.

1. To foster students' ability to demonstrate initiative and take responsibility for learning by implementing self-directed learning.

Target	Strategies	Success Criteria	Method of Evaluation	Teacher ic	Resources
<ul style="list-style-type: none"> • Students will engage themselves actively in the learning activities in the classroom. • Students will have a positive study attitude and take an active role in learning. • Students will take notes during lessons. 	<ul style="list-style-type: none"> • Implementing different self-directed learning and teaching methods such as flipped classroom, e-learning, pre-lesson preparation, note-taking and note-making, etc. • Students should have pre-lesson preparation, note taking during lesson and note making after lessons. • Four lessons on 'Learning style and note making' would be conducted for F.1 students in late August, 2017 by Edvenue Limited. A teacher briefing and a parent talk concerning the workshop would be conducted after the workshop. • Some teachers are encouraged to explore measures for fostering students' ability on self-directed learning by implementing e-learning and STEM education. • After tests/examinations, students are encouraged to reflect on their performance in different subjects. 	<ul style="list-style-type: none"> • More than 60% of the panels conduct different learning self-directed learning and teaching methods such as flipped classroom, e-learning, pre-lesson preparation, note-taking and note-making, etc. • 70% of the students will do the pre-lesson preparations which help them to take part actively in the learning activities in the classroom. • 90% of the students will take notes during lessons. Most of them will also make notes which helps their learning. • Results of questionnaire surveys on 'effectiveness of teaching and learning' & 'self-directed learning' show improvement in 2017-18. 	<p>Questionnaire surveys</p> <p>Records and meetings</p> <p>Teachers' observation</p>	<p>Lai GC</p> <p>Li MS</p> <p>Li MS</p> <p>Lai GC</p> <p>Li MS</p>	

2. To encourage students to live a meaningful school life through the pursuit of their goals.

Target	Strategies	Success Criteria	Method of Evaluation	Teacher ic	Resources
<ul style="list-style-type: none"> • Students can set SMART goals according to their learning needs • Students can make action plans to achieve their goals and stick to them • Students reflect on their progress periodically 	<ul style="list-style-type: none"> • Some homeroom periods will be reserved for setting and reviewing goals of students. • Students are encouraged to set challenging but achievable goals. • Each class will set their goals and strive to achieve them together. • To enlist the services of outside organisations to run self-exploration and goal setting workshops / activities • Sharing of scholarship awardees in assembly to inspire students to pursuit their goals. • Students will learn self-management and time management skills in Ethics / LS / Civic Education lessons. • Aiming at the “Excellent Maryknoll Award Scheme”, students are encouraged to set goals in academic and non-academic area. 	<ul style="list-style-type: none"> • 90% of the students are able to set SMART goals and practical action plans. • 80% of the classes can achieve their goals. • 60% of the students state that they are striving to achieve the goals. • Students feel they have a clearer understanding of their strengths and weaknesses and are able to set short-term goals for themselves. 	<ul style="list-style-type: none"> • APASO Questionnaire • Teachers’ feedback • Percentage of students/classes achieving their goals • Teachers’ observation • Students’ feedback 	Wack NS
